INFLUENCE BLUETOOTH SPEAKER

A powerful, stylish and premium design Bluetooth speaker has been designed by Nikhil Kapoor. The idea behind it was to make a premium looking, powerful and high-quality sound Bluetooth speaker.

- Wireless Bluetooth speaker connect devices and play your tunes wirelessly.
- 4000 mAh power bank playback time up to 10 hrs and charge your devices up to 2 times.
- Control by 5 buttons enables convenient, quick and clear device control
- Bluetooth 4.2 connection up to 10 meters.
- Clear sound and perfect bass dual, high-performance stereo drivers and improved bass port design for a great quality sound.
- Luxury design aluminium parts plus high quality and durable synthetic leather materials used.

With most parts made of aluminium it looks premium and with high quality sound this Bluetooth speaker is great to enjoy your favorite tunes at home or on the go.

REPEAT BLUETOOTH SPEAKER WITH 4000 MAH POWER BANK

'Repeat' is a designer Bluetooth speaker made in unique design of 'Matryoshka'. 'Matryoshka' is a traditional Russian doll, which one inside another repeats the outlines of each other. With this Bluetooth speaker, you will be able to listen to your favorite tunes up to 12 hours plus it has a built in 4000 mAh power bank to boost your devices full of charge for a non-stop party time.

Can be customised

Slide down the clip along the barrel and you will hear a click turning it on or off. The white clip attracts attention and can be imprinted with a logo or an advertising text for a striking marketing campaign. There is also enough space to imprint a logo on a barrel.

Combination of innovative mechanism, sleek design and personalization options will help find followers among any audience.

With personalization options and low price, this pen creates perfect promotional product for various business sectors.

Size: 14.3 x 1 cm Weight: 10 g Material: plastic, soft-touch, metallic Logo imprint: pad printing

iCONYMUG

iconyMug is a functional thermo cup with a stylish faceted form. It has a removable lid with slider mechanism and is equipped with spout control. iconyMug keeps drinks hot or cold for hours due to its stainless steel construction and vacuum insulation.

No matter where you are — at home, in the office or simply on the go, this mug deserves to become your reliable companion. The iconyMug gives the chance to feel nostalgia, to enjoy the iconic design of the past. Or simply — to become the owner of an ergonomic, trendy thermo cup.

HARDCORD 3-IN-1 RUGGED EXTRA STRONG CABLE

HardCord is an innovative 3-in-1 extra strong USB cable for your smartphone due to its multilayer construction and metal braiding enabling pulling forces up to 70 kg and bending life of 60000 times. Unlike ordinary USB cables that can break when subject to pulling and crushing forces, the rugged extra strong HardCord cable is built to last.

On top of those impressive characteristics, this cable is MFI Apple certified and supports fast charging and data transfer of 480 MBps. It's an extra strong 3-in-1 cable with Type-C, Micro USB and Lightning connectors that are suitable for all modern smartphones and total length of 100 cm.

Durable cable with stylish packaging is a great gift idea for your clients.

3-in-1 cable: Type-C/Lightning/Micro USB Up to 60000 times bend The breaking force: up to 70 kg Speed of data transfer: 480 MBps Maximum current: 2.4 A

Cable length: 100 cm

TORSTA TRAVEL BOTTLE WITH BLUETOOTH SPEAKER AND LIGHT

Torsta is a bottle with 3 key features integrated inside. On the top part of the bottle there is a good quality and loud waterproof Bluetooth speaker to enjoy your favorite tunes and on the bottom part of the bottle there is a bright LED light built-in that works from batteries and can be used to light up a tent or simply to light up your way while you are in the dusk. Furthermore, the bottle has a large volume of 700 ml that can be filled with your favorite drinks.

No matter if you are at home or outside in the forest doing outdoor activities, Tostra is ready to keep you hydrated, accompany your way with favorite tunes and light up your way at night. Both top and bottom parts of the bottle can be removed to wash the bottle in the dishwasher and to heat up your drink in the microwave.

192888860

Size: 23.6 x 8.5 x 6.5 cm Volume: 700 ml Material: plastic, tritan Output power: 3W Frequency Response Range: 240 – 17500 Hz Battery life: up to 3 hrs Charging time: up to 2 hrs Speaker protection against water and dust: IPX4 Logo imprint: pad printing
