quality & sustainability

Sustainability › At SCX design, we specialise in designing unique products for our customers and we are convinced that advanced consumption habits are key to a sustainable future. Our products are exclusive, premium and warranted for 2 years so that end-users can thoroughly enjoy them for a long time.

Commitment › We continually work on improving our products in order to reduce their impact on the environment. In supporting the GoodPlanet foundation, we help in the development of field projects and in the reduction of plastic waste. Please find out more at www.goodplanet.org

Fairness › We carefully select our suppliers according to the working conditions they offer to their employees and we regularly conduct strict audits of our suppliers' factories.

Awareness › You can recycle our products at any sorting centre or collection point near you. To know more about the best way to recycle our products, please visit our website at www.scx.design

Green Innovation › We put a lot of care into the development of eco-friendly packaging and materials. As a result, SCX gift boxes & pouches are made from recycled materials and are recyclable.
