6. Classics Chrome ballpoint pen black - **FSN1964A**

The Chronobike writing pieces, with their unique ovoid shapes and on brand elements, combine a casual and a luxurious feel. In addition to the market-favorite brushed aluminum, this iconic silhouette is re-invented with new textures this season.

The Classics writing pieces epitomize exquisite purity with their sleek and balanced frame, radiant lacquers and crisp metal accents. This season, an array of new color block versions are added to the offer.

The Prestige writing instruments are adorned by analogous textures and ornaments inherited from Festina timepieces. This range embodies refined elegance with its delicate outline and tones.

COLOR BLOCK EDITION

Playing on different textures from brushed aluminum to lacquers, our top-selling Festina writing instruments are offered in a wide palette of colors. This year, new versions of our Classics silhouette are bringing bright-coloured options to our ranges.

BOSS

MONOGRAMME

The Monogram umbrellas are featuring BOSS's fashion house key print : a very graphical all-over monogram. Playing with neutral yet vibrant shade combinations and pebbled grain textures on the handles, this line is available in 3 color variations : Nude, Grey & Brown, as well as in 2 sizes : Pocket & City.

ICONIC

Resolutely chic & modern; with their understated matt black trims, these umbrellas all feature the iconic signature tricolor strap: a beautiful way to underline to the new brand image. Available in 3 formats: Mini, Pocket & City.

LOOP

The Loop Umbrellas are mixing luxury with simplicity. Their understated details & mixes of textures, together with the beveled handles, embossed with an oversized yet subtle logo, are bringing a resolutely modern look to these everyday essentials. Available in 3 formats: Pocket , City & Golf.

1. Monogramme pocket umbrella nude - HUF310X

GUN ACCENT

The most modern, masculine & chic of metal tone is resolutely gun plating. Whether used as a signature on leather accessories, or as an all-over surfacing on writing pieces, it will bring a touch of understated elegance to any urban outfit, a statement of style & luxury that has been a staple of our accessory collections.

1. Prestige Gun ballpoint pen black - **FESTINA** - FSR1764A
2. Contour ballpoint pen iconic - **HUGO BOSS** - HSH3414D
3. Loop ballpoint pen diamond gun - **HUGO BOSS** - HSW3674D

8. Corium ballpoint pen black - **HUGO BOSS** - HSU3894A
9. Classics dressing-case grey - **FESTINA** - FTC223H

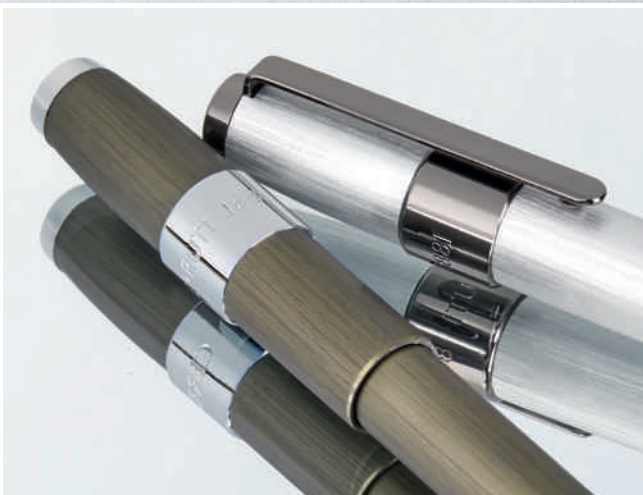

ROSEGOLD ACCENTS

When minimal textures meet functional designs, a hint of rosegold can add a touch of luxury. This unexpected yet understated trend is made resolutely more masculine when associated with shadowy hues of Brown or Navy, giving a warmer undertone to crisp designs.

1. Austin ballpoint pen black/rosegold - CERRUTI I88I- NSR2874A
2. Bond card holder brown - CERRUTI I88I- NLC202Y
3. Icon ballpoint pen blue/rose-gold - **HUGO BOSS** - HSN0014N

9. Austin ballpoint pen diamond chrome - CERRUTI I88I- NSW2984C
10. Block Brushed ballpoint pen black - CERRUTI I88I- NSW3564A

BRUSHED ALUMINUM

Innovating with design, construction and textures is at the forefront of our writing instrument lines development process. One trend that is here to stay is brushed aluminum textures. This alluring surface treatment brings a touch of crisp contemporary feel to many of our designs, and allows for beautiful vibrant or neutral color schemes.

1. Chronobike Black ballpoint pen gun - **FESTINA** - FSC1524D
2. Contour Brushed ballpoint pen green - **HUGO BOSS** - HSY2434T

A close-up photograph of a person's torso and arms. They are wearing a dark, possibly black, leather jacket with visible stitching and brass-colored buttons. A dark grey or black strap with a silver-toned buckle is worn across the chest. The person's right hand is holding a silver, cylindrical thermos. The thermos has a black band around its top rim and the text "CERRUTI 1881" printed in black. The person's left hand is partially visible, hanging at their side. The background is a light, out-of-focus surface.

CERRUTI 1881
