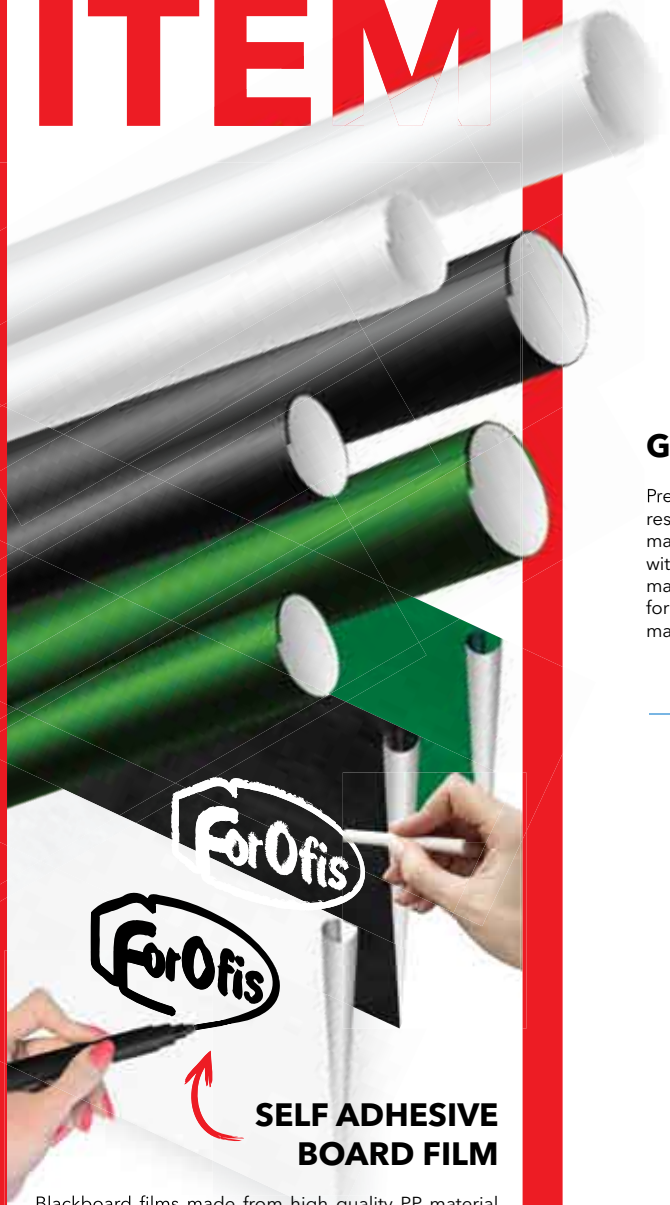
PRESENTATION

NEW ITEM



SELF ADHESIVE BOARD FILM

Blackboard films made from high quality PP material suitable for writing on with chalk or whiteboard marker and can be used, for example, as a menu in your restaurant or café, as a notepad in the hallway or for drawing in the children's room. It is always possible to wipe off the blackboard film with a damp cloth or whiteboard eraser and then write on it again. With a whiteboard, you can turn any smooth surface into a rewritable surface in no time at all. Film thickness 0,12mm.
